RE: Parent Teacher Meetings – Half Day for Students – April 14th

Hello Parents and Guardians,

On the evening of Tuesday, April 14st, we would like to invite parents and guardians to come to the school to meet with their child's teacher, see student work and talk about students' progress.

There will not be specific booking times. Just come, have some food, see classrooms and meet as needed.

School will be dismissed after the regular hot lunch and the bus will run early at 12:45.

We are looking forward to talking to you about your children's successes!
