June 2026

ZESS staff & students steadfastly rehearsing Cultural practice every Thursday.

Our ZESS students had the exciting opportunity to release salmon fry into the river! At this stage, young salmon "remember" the special scent of the water, which helps them return home year later. A wonderful lesson in nature and stewardship. The salmon were from the salmon eggs they got from last fall.

Fun Basketball joint practice of GMESS and ZESS!

Science World Energy & Forces @ZESS in Action!

The air from the blower that Tluupin is holding, forces the ball to move upwards.

How can Science explain what is inside a soccer ball? How can it hold air and fly? The internal dynamics of the ball through gas, friction, laws and aerodynamics.

Lesson 111: How to Fix a Flat Tire by Teacher Lee, with the Junior High

Who says learning only happens inside the classroom? ZESS students rolled up their sleeves, grabbed the tools, and learned a practical skill—how to safely change a flat tire!

HANDSON LEARNING

The Intermediate Class; ZESS future varsity Basketball player!

May 13th Potlacht Cultural Gathering @ GRSS

Camille leading ZESS at GRSS Cultural Gathering. Way to go Camille!

Following the Cultural Gathering at GRSS, ZESS students and staff gathered for dinner at Boston Pizza—a great way celebrate learning, friendship, and community.

CONGRADULATIONS to the ZESS Graduates of class 2026!
