Volunteer At School

Parents are an important part of our school community, and volunteering is a great way to get involved. We are especially looking for parents who would be interested in reading with small groups of students. Your time can help children develop their reading skills, gain confidence, and discover a love of reading. If you are interested in volunteering, we would be very happy to have you join us! Please talk to your child's teacher to set up a good time.

Kyle lead the school in songs and dances as we honoured Residential School Survivors.
