RE: Evening Celebrate Us assembly and Student Learning Show – Half Day for Students

Hello Parents and Guardians,

On the evening of Tuesday, October 20st, we would like to invite parents and guardians to come to the school to hear about the beginning of the school year and have students show their schoolwork to their parents or guardians.

For our evening, we would like to invite parents and students to start with an assembly and pizza where we will present awards. After that, parents and guardians can come to their child's classrooms to see their student's work.

School will be dismissed after the regular hot lunch, and the bus will run early at 12:40.

We are looking forward to talking to you about your children's successes!

Tuesday, October 20, 2026

- 1. Celebrate Us Assembly - 5:30, Student Learning Show Off 6:00 to 7:30PM**
